

Financial Controller m/f/d

TUBEX Austria, 15th of April 2020

As the world market leader in the production of aluminium tubes, our focus is on long-term success – and the key to this success is our team of 1,000 employees whose passion and commitment are the driving force behind our company.

Are you looking for a new challenge? Then send us your application and you could soon be part of our team!

This is an exciting opportunity for a role focussed on operational controlling. The successful candidate will support the various departments by providing them with analyses of relevant facts and figures.

Your tasks

- o Producing weekly, monthly and quarterly reports, and preparing variance analyses of planned and actual figures
- o Producing, interpreting and monitoring KPIs
- o Helping to prepare month-end accounts, as well as budgets and forecasts
- o Ensuring that Group standards are observed
- o Producing ad-hoc analyses and preparing decision-relevant data for the executive management
- o Performing production controlling (order-based product costing in the form of a preliminary and final costing)
- o Documenting corporate processes concerned with finance and administration
- o Undertaking financial accounting tasks
- o Continuously developing and optimising existing controlling processes and reporting systems
- o Participating in projects and producing statistics and reports

Your qualifications and skills

- o Ideally a business degree with a major in controlling and finance
- o Several years' of professional experience, ideally in an industrial company
- o Excellent analytical skills, an affinity for numbers and a capacity for entrepreneurial, joined-up thinking
- o A target-oriented and analytical approach to work
- o Excellent written and spoken English
- o Ideally experience with ERP, preferably ProAlpha
- o An affinity for IT, very good knowledge of Excel and ideally also Power BI
